

TORRIDGE GREEN PARTY GREEN INFO DECEMBER 2023

OUR NEXT MEETING FRIDAY 15TH DECEMBER

Our next Torrridge Green Party meeting is on Friday 15th December at 10.30 am at The Pannier Pantry on the corner of Bridgeland Street and Bideford Quay. We will be focused on digital campaigning and how to get our message out through the Internet to younger people to build our membership and raise the Green Party profile in Torrridge.

If you have expertise do come. If you can't make the time, please send an email with your ideas to help us.

SELECTING OUR PARLIAMENTARY CANDIDATE

The Regional Electoral Returning Officer will be sending out nomination papers to all members shortly as the process of finding a suitable candidate for Torrridge and Tavistock begins.

Yes, our constituency had its name changed under the boundary changes ratified last week. The Torrridge half retains its existing boundaries but West Devon has lost a chunk at the southern end so is now known as Tavistock.

If you are a member and interested in standing do let us know. It is important to stand a Green candidate as the number standing nationally decides the amount of air time the Green Party gets to put across it's message which at the moment is more vital than ever. It also decides the level of government funding the national party gets.

GREEN GATHERING 6TH JANUARY

We will be having a Green Gathering and fundraiser on Saturday 6th January from 12 midday. It will be a "bring and share" and bring along books, CDs, plants etc. For a Fund Raising Table. Bring partners, children and enjoy yourselves. Alcoholic and non alcoholic drinks will be provided. The address is Fairlight, Torridge View, Torrington, EX38 8DN.

Parking in Torridge View or on the Bowling Green on the opposite side of the main road. Buses stop at the end of the road.

HAVE A VERY GOOD CHRISTMAS

Ruth Funnell ruth.funnell@btinternet.com
